About Us

Founded in 1926, Thompsons of York produce and supply the highest quality animal feeds to British farmers. Our mill is fully accredited to the Universal Feed Assurance Scheme (UFAS), ensuring feed products match the demands of the major retailers. We have always taken pride in the quality, safe manufacture, handling and storage of our feeding stuffs. Our customers know and trust the Thompsons name and the food safety assurances that enable them to compete in their markets.

About the Role

An exciting opportunity has become available for a reliable, motivated and passionate driver to join our team at Thompsons.

In this role you will be responsible for loading, transporting and discharging company products between a variety of locations. To follow company Codes of Conduct and to provide a safe, professional, efficient and courteous service to clients and customers of the business.

We are looking for someone with high standards, who can remain accurate while working in a fast-paced environment.

Preferably applicants would have previous experience within a mill environment. An interest or background in agriculture would be advantageous.

An interest or background in agriculture would be advantageous.

Job Tasks

- Correct care and usage of company vehicles and equipment, carrying out routine checks and vehicle maintenance as requested and in line with current legislation, ensuring at all times the correct maintenance and safety of company vehicles and equipment.
- Regular cleaning of company vehicles both inside and outside the vehicle. The cleanliness of vehicles will be checked during routine inspections.
- Completion of all associated paperwork and tasks including record keeping, sampling, cleaning, fuelling as required by the business and in line with current legislation.
- Provide an excellent standard of customer service to clients and customers of the business maintaining a polite and courteous manner at all times when carrying out your work.
- Ensure a high quality of performance of duties when driving company vehicles, recognising that your standard of driving represents the company.
- To check with the Group Technical Manager or deputy for what action(s) are required for any feed safety incidents.

If you think you have the skills and experience we are looking for, we would love to hear from you!

Here at the BATA Group equality, fairness and diversity are the foundation of our organisation. We are proud to be an equal opportunity employer who is fully committed to a policy of treating all its employees and job applicants equally. We value the differences that a diverse workforce brings to our organisation and encourage applications from everyone.

Due to the high number of applications if you have not heard from us within 14 days from submitting your application, please assume you have not been successful on this occasion.
